SAYYAD YAMEEN

AI & ML Developer | Data Science Student | Python Developer | UI/UX Designer

*Tagline: "Think. Design. Develop. Innovate." * Contact via Portfolio Website*

PROFESSIONAL SUMMARY

Passionate AI & ML developer and Data Science student dedicated to building intelligent solutions and beautiful digital experiences. Skilled in Python, Java, C, Artificial Intelligence, Machine Learning, Web Development, and UI/UX Design with a strong focus on real-world problem solving.

EDUCATION

- **B.Tech in Data Science**
  Focused on predictive modeling, statistics, big data architectures, and intelligent algorithms.
- **Diploma in Artificial Intelligence & Machine Learning**
  Core foundation in AI algorithms, neural concepts, automation, and computer science fundamentals.

TECHNICAL SKILLS

Programming Languages:	Python, Java, C
AI & Data Science:	Artificial Intelligence, Machine Learning, Data Science
Web Development:	HTML, CSS, JavaScript, Responsive Web Design
UI/UX Design:	Figma, Wireframing, Prototyping, User Interface Design, User Experience, Systems

FEATURED PROJECTS

1. AI-Based Robot
An intelligent robotic project combining voice control, object detection, obstacle avoidance, and automation.

2. Movie Review Analyzer Using ML
A machine learning application that analyzes movie reviews and predicts sentiment with high confidence.

3. Resume Builder
A dynamic web application featuring structured form inputs, professional templates, live preview, & PDF export.

4. Personal Portfolio
A high-performance modern portfolio showcasing AI/ML expertise, design craft, interactive projects & gallery.

INTERESTS & INSPIRATION

Artificial Intelligence * Emerging Technologies * Machine Learning * Data Science * Software Development
Creative UI/UX Design * Innovation * Technology Exploration * Mountain Hiking & Landscape Photography
